

■ Better than words...

More than a feeling...

Crazy in LOVE... Dancing on the ceiling...

better than words - drive me crazy - someone like you

words ain't good enough

Will ~~A~~ be my BABY...

to explain, you LOVE Ohoo... Oho.. Ohoo... Aa--A..

■ You know you love me

I know you care... Just shout whenever

And I'll be there... You want my LOVE

You want my heart And we would

never, ever, ever be apart...

never, ever, ever be apart...

My heart is stereo

It beats for you, so listen close

Hear my thoughts in every Note

Make me your radio

Turn me up when you feel low

(Turn it up a little bit)

This melody was meant for you ♡
