drink from me, drink from me ... so high .. so high

Oh, Angel sent from up above

You know you make my world light up

When I was down, when I was hurt

You came lift me up...

Life is a drink, and LOVE's a drug

Oh, now I think I must be miles up

When I was a river dried up

You came its rain a flood

You said, "drink from me, drink from me"

When I was so thirsty

Pour on a symphony

Now I just can't get enough

Put your wing on me, wings on me

When I was so heavy ... Pour on a Symphony

When I'm low, low, low, low

Ah, oh-ah, oh-ah

Got me feeling drunk & High

so high, so High

Oh, Ah-ah, oh-ah...

let me shoot across the stars

yeah you!

I used to wanna be

Living like there's only me

And now I spend my time

Thinking 'bout a way to get  
you off my mind (yeah you!)

I used to be so tough

Never really gave enough

And then you caught my eye

Giving me <sup>the</sup> feeling of lightning strike

Look at me now, I'm falling

I can't even talk, still stuttering

This ground of mine keeps shaking

Oh oh oh, now!

All I wanna be, yeah all I ever

wanna be, yeah, Is Somebody To You

All I wanna be yeah Is Somebody To You

Everybody's trying to be a billionaire

But every time I look at you I just don't care

'Cause all I wanna be, yeah, all I ever wanna be

yeah, Is somebody To You...

Wish that you could  
build a Time machine, so  
you could see the things No one can see  
Feels like you're standing on the edge looking  
at the stars & wishing you were there  
What you do when Chapter Ends? Do you close the book & never read it  
again or where you go when story's done  
You will become - oh-oh-oh, oh-oh-oh-oh  
Who you will become - oh-oh-oh, oh-oh-oh-oh

It'll all go wrong...  
Cladding just Hold on  
The sun goes down & it come back up
